

Next Generation Science Standards Interim Assessments

Quick Guide

2023-2024

Published January 23, 2024

Prepared by Cambium Assessment, Inc.

INTRODUCTION

This quick guide provides the following information related to the Next Generation Science Standards (NGSS) Interim Assessments:

- I. an overview of the NGSS Interim Assessments offered;
- II. instructions for how to preview the NGSS Interim Assessment in the Assessment Viewing Application (AVA);
- III. instructions for a student to log in and take an NGSS Interim Assessment using the Secure Browser;
- IV. instructions for how to proctor an NGSS Interim Assessment in the Test Administration Interface; and
- V. instructions for how to access NGSS Interim Assessment results in the Centralized Reporting System (CRS).

I. OVERVIEW OF THE NGSS INTERIM ASSESSMENTS

The NGSS Interim Assessments are an optional assessment resource available for use by local school districts in Connecticut. Important notes related to the NGSS Interim Assessments include:

- All items on the NGSS Interim Assessment are machined-scored.
- Once a NGSS Interim Assessment has been taken and submitted by a student, the results are reported immediately in the Centralized Reporting System.
- All embedded designated supports offered on the NGSS Summative Assessments are available on the NGSS Interim Assessments, including text-to-speech and Spanish translation.
- Teachers can securely log in to AVA to preview the NGSS Interim Assessments without having to take the test using the Secure Browser.
- Students will have unlimited opportunities to take each NGSS Interim Assessment; however, the same NGSS Interim Assessment cannot be taken twice in one day.
- Universal eligibility is available, which means all students will be eligible for all NGSS Interim Assessments regardless of grade. Teachers do not need to go in to TIDE to set interim grades for off-grade tests.

The NGSS Interim Assessments can be administered remotely at home using the Cambium Secure Browser, the SecureTestBrowser iPad app, or Chrome or Firefox browsers.

There are 109 NGSS Interim Assessment clusters and standalone items across three grade bands (Grades 3-5, Grades 5-8, and Grades 9-12). NGSS Interim Assessment items assess standards from Earth/Space, Life, and Physical Science. Each NGSS Interim Assessment is either a cluster or standalone item. Each item includes a phenomena-based scenario. Clusters include several item interactions, while standalone items contain one or two interactions. A cluster or a standalone item is aligned to a single NGSS performance expectation.

Further Information about the use of the NGSS Interim Assessments can be found [here](#).

[Table 1](#) indicates the NGSS Interim Assessments available for elementary school students in Grades 3-5. Each NGSS Interim Assessment contains one item, so there are 18 item clusters and 15 standalone items in total. Interim Assessments marked with an asterisk (*) indicate that the test is also offered in braille. Tests in light blue were recently added in December 2023.

II. HOW TO PREVIEW THE NGSS INTERIM ASSESSMENT IN THE ASSESSMENT VIEWING APPLICATION

Teachers may view the items on the NGSS Interim Assessment without needing to launch the Secure Browser. If teachers want to see the items on an NGSS Interim Assessment without taking a test via the Secure Browser, they can preview items using AVA.

The Assessment Viewing Application is a secure online system that allows authorized users to view the NGSS Interim Assessments for administrative or instructional purposes. This secure online system may be used for viewing assessments and items and will also provide scores and answer keys. You must have a Test Information Distribution Engine (TIDE) account to access any secure online system. If you do not have a TIDE account, please contact your School Test Coordinator or District Test Coordinator.

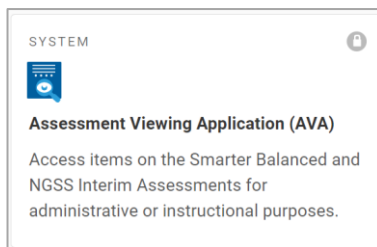

Instructions for logging in to AVA and selecting an NGSS Interim Assessment in the application are provided below.

LOGGING IN TO AVA

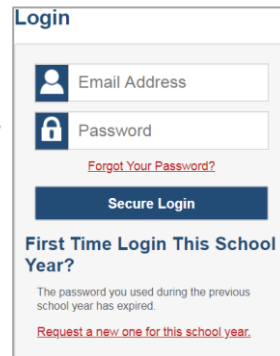

- 1 From the Connecticut Comprehensive Assessment Program Portal (<https://ct.portal.cambiumast.com/>), select the **NGSS Assessments** program card.

- 2 Click the **Assessment Viewing Application (AVA)** card. The AVA login page appears.

- 3 Enter your school email address and password in the appropriate fields, then click **Secure Login**.

A screenshot of the AVA login page. It has a "Login" header. Below it are two input fields: "Email Address" and "Password". A "Forgot Your Password?" link is visible. A blue "Secure Login" button is at the bottom. Below the button, it says "First Time Login This School Year?" and "The password you used during the previous school year has expired." A red link "Request a new one for this school year." is at the bottom.

4 If this is your first time logging in to AVA for the school year, from a new device, or after clearing your browser's cache, the **Enter Code** page appears. If this page does not appear, proceed to Step 5.

If the **Enter Code** page appears, an authentication code is automatically sent to your email address. You must enter this code in the *Enter Emailed Code* field and click **Submit** within 15 minutes of receiving the code via email.

Please note that, outside of text-to-speech, there is no audio on the NGSS Interim Assessments. Headphones are not required unless the student needs text-to-speech.

III. INSTRUCTIONS FOR A STUDENT TO LOG IN AND TAKE AN NGSS INTERIM ASSESSMENT USING THE SECURE BROWSER

Students can take the NGSS Interim Assessments using the Secure Browser or internet browsers such as Chrome and Firefox. The Secure Browser is the same browser used for the Smarter Balanced Summative and Interim Assessments, the NGSS Summative Assessments, and the Connecticut Alternate Assessment (CTAA).

The Secure Browser can be downloaded from the Connecticut Comprehensive Assessment Program Portal by following the instructions located on the [Secure Browsers](#) page. Please note that if the 2023–2024 Secure Browsers have already been installed on your computers, you do not need to install a new Secure Browser to access the NGSS Interim Assessments.

ACCESSING THE NGSS INTERIM ASSESSMENT – STUDENT

- 1 Double-click the Secure Browser icon to launch the Secure Browser.

- 2 Once the Secure Browser is launched, the student will see a login screen to access the Student Interface. The Student Interface is where the student will sign in to and take the NGSS Interim Assessments. To sign in to the Student Interface, students must enter three pieces of identifying information for each appropriate field: their First Name, their State-Assigned Student Identifier (SASID), and the current Session ID (provided by the Test Administrator).

When the student has entered this information in each appropriate field, the student must click the **Sign In** button to log in to take the test. The Test Administrator (TA) may assist students with logging in, if necessary. The Session ID is generated when the Test Administrator creates the test session and

will be given to students by the TA when it is time for them to log in to the test. Session IDs should not be generated more than 20 minutes before students are ready to log in.

IV. HOW TO PROCTOR AN NGSS INTERIM ASSESSMENT IN THE TEST ADMINISTRATION INTERFACE

Teachers can administer the assessments using the Test Administration Interface. You must have a TIDE account to access any secure online system. If you do not have a TIDE account, please contact your School Test Coordinator or District Test Coordinator.

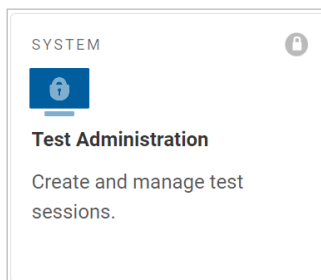

Instructions for logging in to the Test Administration Interface and using the interface to create and manage test sessions are provided below.

LOGGING IN TO THE TEST ADMINISTRATION INTERFACE

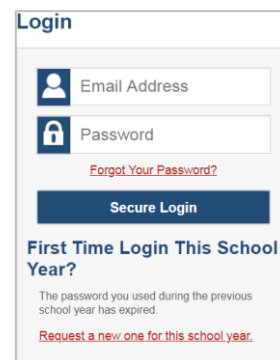

- 1 From the Connecticut Comprehensive Assessment Program Portal (<https://ct.portal.cambiumast.com/>), select the **NGSS Assessments** program card.

- 2 Click the **Test Administration** card. The Test Administration Interface login page appears.

- 3 Enter your school email address and password in the appropriate fields, then click **Secure Login**.

USING THE TEST ADMINISTRATION INTERFACE TO CREATE AND MANAGE TEST SESSIONS

1 In the Test Selection window, tests are categorized and color-coded by assessment type. Currently, the Test Selection window contains both the Smarter Balanced Interim Assessments and the NGSS Interim Assessments. In the spring, the Smarter Balanced Summative Assessments, the NGSS Summative Assessments, and the Connecticut Alternate Assessments will be available for selection.

To select a test, simply click on the plus sign to expand the test selection and select the test you want to administer. You may select more than one assessment to include in a test session.

The screenshot shows the 'Test Selection' window. At the top, there's a search bar and a 'Filter By' button. Below that, a section titled 'Next Generation Science Standards Interim Assessments' contains a list of tests. The tests are organized by grade (Grade 5 and Grade 8) and then by cluster (Earth and Space Science, Life Science, Physical Science). Each test has a plus sign to expand it. A 'Back' button is at the bottom left. On the right, a panel shows '30 Tests Selected' and a 'Clear All' button. Below that, a list of selected tests is shown, including 'Interim ES Earth and Space Science - PE 3-ESS2-1 A', 'Interim ES Earth and Space Science - PE 3-ESS2-1_Braille', 'Interim ES Earth and Space Science - PE 4-ESS2-1', 'Interim ES Earth and Space Science - PE 5-ESS1-2 A', 'Interim ES Earth and Space Science - PE 5-ESS2-2', 'Interim ES Earth and Space Science - PE 5-ESS2-2_Braille', 'Interim ES Life Science - PE 3-LS3-1', 'Interim ES Life Science - PE 3-LS4-1', and 'Interim ES Life Science - PE 3-LS4-1_Braille'. At the bottom right, there's a 'Session Settings' section with a 'Select Test Reason' dropdown and a 'Start Session' button.

2 Once you have started the test session and students have logged in, you must approve their test settings before they can access their tests. If you are administering multiple tests, it is very important that you pay close attention to the test name prior to approving to be sure that students have selected the appropriate test. You can do this by clicking **Approve**. A list of students will display, organized by test name. You should review the list to make sure that all students have chosen the correct content area and test. You should also ensure that all of the settings that a student should have are correct.

If no changes are needed, click **Approve All Students** to admit all students to the session. If a student has selected an incorrect test, you must deny that student entry to the test session.

The screenshot shows the 'Approvals and Student Test Settings' window. At the top, there's a header with 'Approvals and Student Test Settings' and an 'Approve All Students' button. Below that, a status bar shows '1 students awaiting approval', '0 active students (max 200)', and '2 tests in session'. A legend indicates that a purple dot represents 'Next Generation Science Standards Interim Assessments'. The main section is titled 'Interim ES Earth and Space Science - PE 4-ESS2-1 - 1 student(s)'. It contains a table with the following columns: Student Name, SSID, Opp #, See Details, and Action. The table has one row with the following data: Student Name (test, test), SSID (999912347), Opp # (1), See Details (Custom), and Action (Approve/Reject buttons).

Student Name	SSID	Opp #	See Details	Action
test, test	999912347	1	Custom	<input type="checkbox"/> <input type="checkbox"/>

3 To review and confirm a student's test settings and accommodations before approving the student's entry in the test session, click the eye icon under the **See Details** section for that student. The student's information and test settings appear. Verify that all test settings are correct before the test begins. If the test setting is not correct, please have the school coordinator update the student settings in TIDE before proceeding with the test.

To confirm the selected test settings and return to the list of students awaiting approval, click **Set**. You still must approve the student for testing. To confirm the settings and approve the student for testing, click **Set & Approve**. Once you click **Set & Approve**, the student is permitted in the test session and no longer appears in the Approvals and Student Test Settings window.

This table displays the following information for each student: student name, SSID, test opportunity number, test name, time spent in the test session, student test status, student test settings, and actions.

V. HOW TO ACCESS NGSS INTERIM ASSESSMENT RESULTS IN THE CENTRALIZED REPORTING SYSTEM

Following the completion of an NGSS Interim Assessment, teachers may see their students' results in the Centralized Reporting System. You must have a TIDE account to access any secure online system. If you do not have a TIDE account, please contact your School Test Coordinator or District Test Coordinator.

Instructions for logging in to and using the Centralized Reporting System to view NGSS Interim Assessment results are included below.

 **LOGGING IN TO THE CENTRALIZED REPORTING SYSTEM**

- 1** From the Connecticut Comprehensive Assessment Program Portal (<https://ct.portal.cambiumast.com/>), select the **NGSS Assessments** program card.
- 2** Click the **Centralized Reporting System (CRS)** card. The Centralized Reporting System login page appears.
- 3** Enter your school email address and password in the appropriate fields, then click **Secure Login**.

- 4** If this is your first time logging in to the CRS for the school year, from a new device, or after clearing your browser's cache, the **Enter Code** page appears. If this page does not appear, proceed to Step 5.
- 5** Click on the box next to Science and select Go to Dashboard. The system will then take you to the dashboard for the Science interims.

If the **Enter Code** page appears, an authentication code is automatically sent to your email address. You must enter this code in the *Enter Emailed Code* field and click **Submit** within 15 minutes of receiving the code via email.

USING THE CENTRALIZED REPORTING SYSTEM TO VIEW NGSS INTERIM ASSESSMENT RESULTS

Because no hand scoring is required for the NGSS Interim Assessments, results of the assessments will be available in real time in the Centralized Reporting System as soon as the student submits the test. Teachers can view the scores for the students who were included in a test session that they proctored or for students that they are associated with by a roster. Raw scores and percent correct for the item cluster in an assessment are reported. No scale scores or achievement levels will be made available for these assessments.

Score, Performance and Points Earned on Interim MS Life Science - PE MS-LS1-8 (P)

1, 2022-2023

Filtered By School: All Schools | Test Reasons: Pretest | Standards Keys

Student	Student ID	Total	Total Items
		Score	
District		1/6	
School		1/6	
test_test	999913634	0/6	
test_test	999913886	2/6	

In addition to the raw scores and percent correct, teachers are also able to access the scoring assertions for each item cluster to see how the item cluster was scored. Teachers can also view the student’s response to each item in the Centralized Reporting System.

To access the scoring assertions, drill down to the list of students in the CRS and click on the score point that the student received for the item.

Score, Performance and Points Earned on **Interim ES Physical Science - PE 4-PS4-2** (Posttest) of 999913425, by Student and Reporting Category: 2023-2024

Scoring Assertion	Outcome
1. The student draws an arrow from the mirror to the person and the line does not intersect the tall cabinet providing some evidence of an understanding that light reflected from the cat and then the mirror before entering the person's eye allows it to be seen.	✗

For more information about the capabilities of the Centralized Reporting System, please refer to the *Centralized Reporting System User Guide* on the Connecticut Comprehensive Assessment Program Portal.

In addition, answer keys for the interim assessments are also available in TIDE. To access the answer keys, select **General Resources** in the upper right-hand corner of the TIDE menu bar.

USER SUPPORT

For additional information and assistance please visit the [Connecticut Comprehensive Assessment Program Portal](#) or contact the Connecticut Comprehensive Assessment Program Help Desk.

The Help Desk will be open Monday–Friday from 7:00 a.m. to 7:00 p.m. ET during the summative testing window and Monday–Friday from 7:00 a.m. to 4:00 p.m. ET outside of the summative testing window (except holidays).

Email Support: cthelpdesk@cambiumassessment.com

Please provide the Help Desk with a detailed description of your problem, as well as the following:

- Test Administrator name and email address
- If the issue pertains to a student, provide the student's SASID and associated district or school– **do not provide the student's name**
- If the issue pertains to a TIDE user, provide the user's full name and email address
- Any error messages and codes that appeared, if applicable
- Affected test ID and question number, if applicable
- Operating system and browser version information, including version numbers (for example, Windows 7 and Firefox 45 or Mac OS 10.10 and Safari 8)
- Information about your network configuration, if known:
 - Secure browser installation (to individual devices or network)
 - Wired or wireless internet network setup
