Purpose of this Publication

Fall 2020

Interested Educators:

The following updated list of bilingual word-to-word dictionaries and glossaries is authorized for use by students who are currently reported as English learners (ELs), or who were reported as ELs previously, on all MCAS tests. Please note that providing a bilingual word-to-word dictionary to ELs and former EL students is encouraged, but not required.

New titles and languages have been added and a small number of dictionaries have been removed that are no longer available. Additionally, an expanded list of bilingual content area glossaries in other languages has been included.

Authorized bilingual dictionaries and glossaries are limited to those that provide *word-to-word* (or *word-to-words*) translations and may *not* include definitions, phrases, or sentence translations. Word-to-word dictionaries and glossaries that have been listed on previous authorized lists, but were removed in subsequent editions, may continue to be used. However, these previous editions may not include all academic language that students may need for the assessments.

While the Department would prefer to include word-to-word dictionaries for every language spoken in Massachusetts public schools, there are languages for which a word-to-word dictionary is either unavailable or does not meet the criteria for inclusion. Other languages may have only oral, but no written forms.

The Department will continue to add resources as they become available. If you have a suggestion for additional entries and/or dictionaries that should be added or removed from the list, please communicate this information via email to mcas@mass.gov.
